If you engage as a PSC via an employment agency, then you can opt out of being covered by the Conduct Regulations. The opt out must be given in writing to the employment agency by both the PSC and the worker being supplied to do the work. The employment agency cannot encourage you to do this and it must be your own decision. Agency workers placed in roles working with, or caring for, vulnerable persons cannot opt out of the Conduct Regulations. This document is for information only and does not qualify as an agreement for opting out of the Conduct Regulations.
